**Natural Areas Week is April 9-15**

The Tennessee Natural Areas Act was passed 41 years ago, in May 1971. Tennessee now has 82 designated state natural areas totaling more than 120,000 acres where rare, endangered or unique plant and animal species are protected for future generations. There are more than 50 events scheduled to celebrate Tennessee State Natural Areas Week from April 9 through April 15.

Visit <http://tn.gov/environment/na/events/seasonal.shtml> to find a Natural Areas Week event for your schedule.
